AcademEA PURCHASE AGREEMENT

PARTIES IN THIS AGREEMENT

This Agreement is made between **EA Technologies Limited** and ABC INTERNATIONAL SCHOOL

SOFTWARE MANUAL

EA Technologies Limited will provide a software manual which can be downloaded on the official website(www.academea.net) of the software. The manual describes step-by-step operations of the software. Administrators are advised to refer and also download latest versions of manual at all times.

INSTALLATION OF SOFTWARE

AcademEA is a Server/Client based software; therefore, can be installed on a working network setup. It can be installed on a maximum of three (3) computers i.e. A server and two clients when three different machines are provided by the client. Installation and configuration on any additional or re-installation per computer would attract a fee of GHC100.00 NB: It is advised that computers running AcademEA have active antiviruses running on them.

MAINTENANCE FEE

ABC INTERNATIONAL SCHOOL will pay a Termly maintenance fee of GHC 140.00 (fee is subject to upward adjustment. For future upward adjustments It shall be communicated to client in an e-mail)

Maintenance Includes

- Online Software Updates (software is constantly being improved with new features every term)
- Compulsory Online data Backup
- Termly Support in the use of AcademEA (Support come in two forms;
 1. Remote Support or assistance i.e. Technical staff would connect to client's server using **TeamViewer** to solve any challenges)
 2. Onsite visits to client's premises to solve any challenges they might be facing.
- Free AcademEA Training Workshops
- AcademEA online Resource (www.academea.net)

NB: Termly Fee Bill/Invoice shall be sent via email to client's official e-mail provided to our company at the beginning of each term excluding the term of purchase. Client must settle payment of Termly bill before the end of the specific term for which they have been billed. Failure to pay termly fees will result in the withdrawal of all support services.

INVESTMENT

PACKAGE 1 (GHC 4,000.00)	PACKAGE 2 (GHC 3,500.00)
AcademEA Software Installation	Academea Software Installation
1 Desktop PC will be provided	No Desktop PC will be provided

CUSTOMIZATION

AcademEA is "sold as is" however it can be customized to suit specific needs of your school. In such cases client must send an email with detailed description of features required to **info@essienarthur.com**. An invoice for the customization would be sent to the client. Client will pay 60% of the Agreed sum before development commences. The remaining balance of the 40% will be paid by client when the customized features are delivered. Customized feature required by school would be ready for use on the next re-

opening date of the school. This is to allow developers to code and thoroughly test the newly added feature for your school.

TRAINING

ABC INTERNATIONAL SCHOOL would make available for EA Technologies Ltd. Two computer literate staff of ABC INTERNATIONAL SCHOOL for one-day training in the use of AcademEA. Training would take place at the premises of the school.
